

## TABLE OF CONTENTS

*Prologue* xvii

*Introduction* 1

### PART I THE DEFECT CONCERNING THE LEGISLATOR AS A DEFECT OF LEGISLATIVE ACTS

#### CAPITOLO 1

#### **Requirements of the law concerning the legislator**

1. Defining ‘presupposed legal facts or acts’ in the realm of legislative acts: initial considerations 19
2. *Segue.* The development of a theory of presupposed legal facts or acts, with particular reference to administrative law, and its reception by constitutional law 30
3. *Segue.* The ‘presupposition nexus’ and the theory of derivative invalidity 42
4. *Segue.* Pre-ordination of the presumption nexus 60
5. Defects of the law and the doctrine of normative interposition 87
6. *Segue.* Requirements concerning the legal subject to which an act can be attributed 92
7. Defects concerning the legislator: the necessary reference to the defect of the ‘ascriptive norm’ 100
8. *Segue.* The false association with the defect of incompetence 116
9. *Segue.* Some final clarifications 128

#### CHAPTER 2

#### **Nature and characteristics of the defect of the legal subject to which an act can be attributed**

1. Preamble 133

#### SECTION I

2. The defect of the legal subject to which an act can be attributed as a species of formal defects: a test 134
  - 2.1. *Ex ante* signs of its categorisation among formal defects and their application to defects concerning the legislator 135

2.1.1. First digression: the case of the defect due to the subsequent lack of legitimacy of the legislator	156
2.1.2. Second digression: the dispute about the feasibility of distinguishing between formal and substantive defects of the law	159
2.2. <i>Ex post</i> signs of its categorisation among formal defects and their application to defects concerning the legislator. The criterion of typical consequences	166
2.2.1. In particular: the formal defect of the law as an elastic defect	175
2.2.1.1. <i>Segue</i> . Its degradation	182
2.2.1.2. <i>Segue</i> . The safeguard of substantive needs of the legislative process	196
SECTION II	
3. Nullity of the law: an introduction	202
3.1. Nullity of the law for formal reasons	215
3.2. The issue of the review of laws affected by nullity	234
3.3. The defect concerning the legislator as a defect of constitutional legitimacy	249
4. Conclusion	255

PART II  
CONSTITUTIONAL CONTROL  
OF DEFECTS CONCERNING THE LEGISLATOR

CHAPTER 3

**Defects of the legal subject to which an act can be attributed and the theory of ‘*de facto* officials’**

1. Preamble	261
2. The <i>de facto</i> official in administrative law: a problematic figure	263
3. The principle of safeguarding the acts of the <i>de facto</i> official and its multiple reasons	274
3.1. <i>Segue</i> . The <i>rationes minores</i>	275
3.2. <i>Segue</i> . The <i>rationes maiores</i>	280
3.3. The axiological imbalance of the problem of the defect concerning the legal subject when referred to the law	290
3.4. The theory of ‘organic identification’	300
4. The theory of the <i>de facto</i> official: a possible legacy for flawed laws due to a defect concerning the legislator?	305
4.1. Conditions of continuity and stability of the legal system: general profiles	314

4.2. The continuity-stability of the system as a synthetic formula. The link with the principle of constitutional legitimacy	335
CHAPTER 4	
<b>Continuity and stability of the legal system and possible constitutional review of the defect concerning the legislator</b>	
1. Continuity and stability of the legal system in the constitutional review of laws	347
1.1. <i>Segue</i> . A dynamic analysis	359
1.2. <i>Segue</i> . A static analysis	364
1.2.1. Interlude	367
1.2.2. Continuation	376
1.2.3. Continuity and stability of the legal system as external constraints and ultimate purpose of constitutional review of laws	384
2. Constitutional review of the defect concerning the legislator and the requirements of continuity-stability of the legal system	386
3. Constitutional review of the defect concerning the legislator: bifasic or monofasic review?	399
<i>Unfinished epilogue</i>	409
<i>Afterword</i>	413
<i>Cited works</i>	423
<i>Abstract</i>	451
